*The order forms have been sent home.*

CPS is so excited to be part of this recycling initiative. We are asking you to please bring in empty bread bags (no crumbs or bread tags please) to school. Students can put their bread bags in the pink Wonder Recycling rewards box. There will be one box in the Kindergarten hallway and another in the hall (at the office end). Our aim is to recycle as many bread bags as possible which will result in our school receiving points. One full box (5kg) is 500 points and the most we can earn is 2500 points. These points will result in CPS receiving exercise equipment made from recycled plastic. We will also be in the draw to win an exercise circuit.
So let's get recycling!!!
