

SkoolBag App

Dear Parents and Carers,

To ensure our school community has up to date access to important school information, we have now set up a SkoolBag App. The app provides parents and carers with a convenient way to receive instant school notifications including emergency alerts, specific grade and group reminders and changes to routines.

We will continue to use the school Facebook page to celebrate student learning and achievements at Cronulla Public School and SkoolBag will be used as our primary parent communication for day-to-day changes.

Once you have downloaded the App, make sure you click on **GROUPS** and subscribe to the appropriate school groups to receive relevant information to your child/children.

If you have any questions or need assistance, please contact the office.

Principal
